Chasing Chad Fund-Raiser

Steve and Connie are Mocha Moment regulars. Their son Chad had just completed the Chicago marathon when he was diagnosed with brain cancer. About a month later, Chad passed away on December 18, 2009. During both his life and illness, Chad inspired family and friends. Friends and family formed "Chasing Chad" as a way to commemorate him, channel money for brain cancer research, and support families experiencing a similar trial. During 2010, 680 supporters logged over 52,000 miles and donated over \$17,000 to The Medical College of Wisconsin and the Medical College Tumor Research Program.

Many of our Mocha Moment community wish we were open on Sundays. To the public, Sunday is just a regular day of business. The difference, however, is that Mocha Moment will contribute 100% of gross sales, plus donations from our Mocha Moment community.
