# HealthNet Benefit

Opening in 1994, HealthNet of Janesville is a free clinic serving Rock County individuals who have no health insurance, Medicare, Medicaid, or Medical Assistance. HealthNet has completed renovations as a response to the community need. Staff is proud of their clinic and the fact that they offer a first class facility to care for their patients. Over 97 cents of every dollar donated now goes directly to programs.

Some numbers: HealthNet volunteers donated 10,800 hours last year! And the clinic recorded 8,728 patient visits. Healthnet provided 24,000 prescriptions worth an estimated \$2,05,274.70 to prevent health care crisis situations.

*Many of our Mocha Moment community wish we were open on Sundays. To the public, Sunday, is just a regular day of business. The difference, however, is that Mocha Moment will contribute 100% of gross sales, plus donations from our Mocha Moment community.*
