Project 16:49 is a local non-profit organization serving Rock County's unaccompanied, homeless teens. 16:49 works to ensure these youth have access to the service and support they need to complete their high school education and increase their self-sufficiency as they transition to independent living. With the community's support, Project 16:49 provides basic needs assistance, referrals and case management, operating two transitional living homes.

Every year more than 300 Rock County students are unaccompanied and homeless. 96% of Project 16:49's case management participants graduate high school.

Many of our Mocha Moment regulars wish we were open on Sundays. Here's your chance! To the public, Sunday is just a normal day of business. The difference, however, is that Mocha Moment contributes 100% of gross sales, plus donations from our Mocha Moment community.
