Over the past two years, we've continued improving access and visibility for Peace Trail by constructing welcoming trailhead arches, creating clear gateways and a stronger identity for the trail system. These additions help visitors and residents alike recognize and enjoy this growing community asset.

Several important projects are on the front burner. We are working to add a seasonal portable restroom at the Tripp Road parking lot, improving convenience for trail users. Plans are also underway to install wayfinding signage across the Beloit multi-use trail system, helping cyclists and pedestrians navigate connections to parks, neighborhoods, and destinations. In addition, we're partnering with the City of Evansville to help fund a Pedestrian Safety and Connectivity Plan, supporting safer and more accessible walking routes in the region.

Though March 22 is a fundraiser, March 22 to the public, is just a normal business day. The difference, however, is that Mocha Moment contributes 100% of gross sales, plus donations from our Mocha Moment community.
