

I have found a baptismal record for Anne Marie Holzmann in the protestant church records of 1788 in Soultz-sous-Forets. The date here (Septembris or September of 1788) contradicts the birth date given on her record of marriage to Jean Gaspard Kahl (5 September 1798). I believe the baptismal record is correct and the marriage record is incorrect. If Anne Marie had been born in 1798, than she would have been only 15 at the time of her marriage. Not likely. So, I feel we need to make her date of birth: 5 September 1788. (David Heintz)
