

It seems that George Holzmann (Sr) and Madelaine (Madeleine) Schneider had a daughter Dorothe who married a Philippe Kneecht on 28 FEB 1813 in Soultz-sous- Forets. Their "Acte de Mariage" states that Dorothe was the legitimate child of George Holzmann and Madelaine (Madeleine) Schneider who were married on 27 JULY 1782 in Soultz, Soultz. So, now we have someone new, an aunt to add to the family tree. I don't have a birth date or a date of death. Not yet anyway! And we have the date place of marriage of George Holzmann (Sr) and Madeleine Schneider.
