school. Each youngster should bring a towel and a dime for locker rental. South Dakota Man Joins Staff at MacCornack Clinic WHITEHALL, Wis. (Special)-Dr. Joseph Tschetter, a 1931 graduate of the University of Illinois medical school, has arrived here from Huron, S. D., to assume a position at the MacCornack Clinic. His office is on the second floor where he will work with Dr. N. S. Simons, eye, ear, nose and throat specialist here since about 1917. Dr. Tschetter interned at Grant Hospital, Chicago, where he met his wife, who was a nurse there. The doctor was engaged in general practice at Woonsocket, S.D., for eight years, after which he took postgraduate work in eye, ear, nose throat for and two years at the University of Illinois and land the Cleve- Clinic. He EYOTA FARM
