

Friday Morn.
Dear Sister and Jamie
Just a few lines to
you this morning.

He are pretty well
only little Billy.

He had his tonsils
and adenoids out
and he also was
circumcised on Wed.
morn. He feels pretty
good, only he don't

think he should lay so²
long. His throat is fine
Dr. Rohlf done the work
and when he was here
yesterday he was well
pleased with Billy.

Poor little fellow, he
never said a word when
he took the ether only
when he was nearly gone
he said "Mother make them
throw that nasty stuff away
he never moved at all.
He was a good boy and
he sure is a good little
patient.

He had a few lines from
Henrietta, the first since
she is in Ouaka. She does
n't seem very enthused
over the city. He liked

it fine there. There are³
so many pretty parks

This is a lovely morn.
I just put on some water
to scrub the porch floor.

Billy is out there on a
cot all day long so I
want to scrub it up so

it will be a little clean

Well no doubt Gert, + her

family are at Anna Vite's

They intended to go to Herts.
I made them some dresses
and I emb. Gert an apron.
George was here Tues.
for dinner. He will
find out to morrow
just when he can get
off for a few days.

Bill will ask for an
other week's vacation
too. Then we can let
you know just when
we can come but if it
won't suit you it will
be just alright for you
to say so.

Hen & Marg. were down
last week one day. They
come quite often.

We haven't seen her since
you saw her. So we don't

know how they are,⁵
I s'pose they are alright
tho. or we would have
heard other wise.

Dr. Rohlf is just fine.
He wondered how Ruth
was. I told him fine ^{since}
she had her hair bobbed.
He laughed.

Now I must close.

The water is hot so
write a few lines when
you can.

Love to you all.
Your sister
Marta
&
The boys.
