Well Construction Benefit

This benefit is initiated by Hope (one of our longtime, very recognizable baristas and a UW Whitewater senior) and several of her friends (most of whom are university students). Hope and her friends committed themselves to raising \$3,000, the price of building a well in a village in Africa. Hope approached me about using Mocha Moment to raise some of the \$3,000.

The well will be built by the Blood:Water Mission, a group committed to clean blood and clean water to fight the HIV/AIDS pandemic, to build clean wells in Africa, to support medical facilities caring for the sick, to make a lasting impact in the fight against poverty, injustice and oppression in Africa (bloodwatermission.com).

This benefit will provide a treat for supporters on Saturday evening, May 5: A variety band of local musicians that plays vocally inspired covers will perform from 7:00-10:00 p.m. Enjoy coffee and music, and support the cause!

Mocha Moment will donate 100% of gross sales, plus donations from our Mocha Moment community. Mocha Moment staff is donating all their time.
